Symboler / Symbols

~ = i tallet indgår estimerede arter / The number includes estimated species

◆ = estimat / estimate

* = ikke optalt / not counted

t = tusinde / thousands

Enkelte pungdyr vil have ændringer fra forrige års sluttal til dette års starttal.
 Dette skyldes, at nogle unger først ses efter færdiggørelse af Dyrebestandslisten.

Some marsupials will have changes in their total from the end of last year to the beginning of this year. This is due to offspring, which only appeared after completion of the inventory list.
